Address: No31, South Jinjiang Road, Shangjie District (Amusement Equipment Zone),  
Zhengzhou City, Henan Province, China.

## Zhengzhou Wanle Amusement Equipment Co., Ltd

Wanle amusement equipment company, founded in 1996, located in Zhengzhou, China. Started from carousel manufacturing, now specially in manufacturing small and medium-sized amusement equipment. More concentrated on the products quality and after-sale service. "Wanle" enjoys a high reputation in the industry and the domestic market, and at the same time has created an international brand effect.

Our factory is 25,000 square meters, with FRP production workshop, machine workshop, painting room, parts production workshop, storage room, and show room in 6 parts. More than 10 people in design, more than 90 manufacturing workers. Being a source of development, we are very focused on lean manufacturing, high-level configuration, striking appearance, professional mechanical principle, making products with stable, reliable operation and beautiful appearance. We always trust that good service and quality is the key for a long-term and trustful cooperation with our customers.

"Quality first, stability, safety and reliability" is our company's strategic concept. With the mission of "becoming first-class in the industry and going abroad to the world". We insist on the corporate culture of "creating value for customers", gathering resources and strengths from shareholders, employees, suppliers, customers, etc., building an efficient management service team, and achieving "A century-old enterprise" dream.

Capacity: 30persons  
Cabins: 15pcs  
Power: 19.5kW  
Voltage: 380V/50Hz  
Machine diameter: 12.6m  
Area diameter: 13m  
Height: 5.3m  
Speed: 1.88rpm

Specifications

Capacity: 12persons  
 Cabins: 6 set  
 Power: 3.5kW  
 Voltage: 380V/50Hz  
 Track length: 50m  
 Area size: Be customized  
 Minimum turning radius: 2.8m  
 Speed: 1.9m/s

Specifications

Capacity: 72persons  
Cabins: 18pcs  
Total height: 30m  
Power: 20kW  
Voltage: 380V/50Hz  
Wheel diameter: 25.6m  
Area size: 16\*19m

Specifications

Capacity: 104persons  
Cabins: 28pcs  
Total height: 46m  
Power: 25KW  
Voltage: 380V/50Hz  
Wheel diameter: 41m  
Area size: 29\*24m

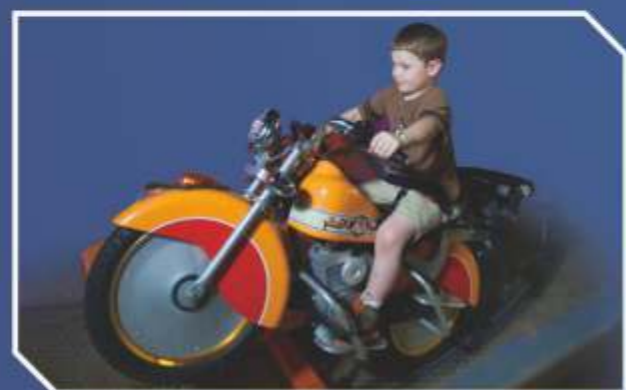

**Specifications**

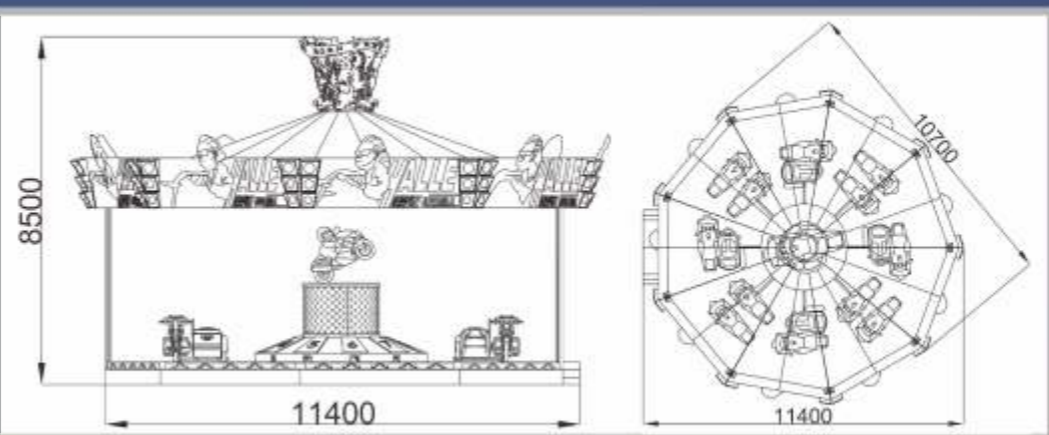

Capacity: 30 persons  
 Area: 24m×18m  
 Static Height: 14.5m  
 Moving Height: 20,5m  
 Swing angle: ±110°  
 Power: 150kW
